Professional Stickers

bouquet of flowers,
watch to see the beauty of it; life like
a cup of green tea, savor, in order to reward the true taste.
we should start from the failure, from success, from a lifestyle philosophy of life.

NAIL ART

Professional Stickers

When I see these four letters,

Feel your touch.
It happened since,
I fell in love with you.
Why this word does this,
I haven't got a clue.

ZY-059

Love is more than a word, it says so much.
When I see these four letters, I almost feel your touch.
This is only happened since, I fell in love with you.
Why this word does this, I haven't got a clue.
